CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to higher market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide the requisite information to Shareholders to make an informed decision on whether to vote for or against the resolution to approve the Repurchase Mandate.

GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase shares on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 280,000,000 Shares in issue.

The Repurchase Mandate will enable the Directors during the relevant period to repurchase the Shares up to a maximum of 10% of the shares of the Company in issue on the date of passing the relevant ordinary resolution at the AGM. Subject to the passing of the proposed resolution granting the Repurchase Mandate and assuming that no further Shares will be issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 28,000,000 Shares.

The Repurchase Mandate, unless revoked or varied by way of an ordinary resolution of the Shareholders in general meeting, will expire at the conclusion of the next annual general meeting of the Company, which is expected to be convened on or before 30 June 2018.

FUNDING OF REPURCHASE

Repurchases must be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands.

REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interest of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in the most recent published audited accounts, in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates currently intends to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

No core connected person (as defined in the GEM Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power to make repurchase pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If, as a result of a share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code.

Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not presently aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in hands of public falling below the prescribed minimum percentage of 25%.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

As at the Latest Practicable Date, the following Shareholder was interested in more than 10% of the issued shares of the Company:
